**NL** See You Gedenksieraden zijn ontworpen door Rob Leurs, reeds 40 jaar actief in de juweliersbranche. Als geen ander heeft hij zich gespecialiseerd in alle facetten van gedenksieraden.

“Onze sieraden kenmerken zich door het meestal zichtbaar afwerken met as van uw dierbare. Op deze manier draagt u een deel van uw dierbare wel héél dicht bij u.”

De ontwerpen worden als zeer vernieuwend ervaren en zijn onlangs onderscheiden voor de International Funeral Award. We zijn trots op ons jarenlange vakmanschap en we zijn ervan overtuigd dat het eindresultaat zeer bevredigend zal zijn en geschikt voor dagelijks gebruik.

Kijk voor het gehele assortiment en eventueel het vulproces op [www.seeyougedenksieraden.nl](http://www.seeyougedenksieraden.nl)

**EN** See You Memorial Jewelry is designed by Rob Leurs, an authority in memorial jewelry in the Netherlands who has been in the jewelry business for over 40 years.

“The defining characteristic of our keepsake jewelry is the integration of visible ashes or hair into the design of every piece.”

With this collection, we wish to provide you with the beauty and elegance that you will cherish along with your memories.

With our innovative and distinguished designs, we were recently nominated for the International Funeral Award.

We take pride in our history of quality workmanship and we are confident that our jewelry will meet with your satisfaction in everyday wear.

**DE** See You Gedenkschmuck ist durch Rob Leurs entworfen, der seit 40 Jahren als erfolgreicher Juwelier tätig ist. Er hat sich auf alle Facetten des Gedenkschmucks spezialisiert.

“Unsere Schmuckstücke zeichnen sich durch die sichtbare Verarbeitung der Asche eines Geliebten aus. Auf diese Weise tragen Sie einen Geliebten ganz nah, und immer bei sich.”

In dieser Kollektion zeigen wir, dass ein Gedenkschmuckstück mit Recht ein “Schmuckstück” sein darf.

Die Entwürfe werden als “neuzeitig” bezeichnet und sind kürzlich durch den International Funeral Award ausgezeichnet worden.

Wir sind auf unsere jahrelange Verarbeitungsqualität und sind überzeugt dass das Ergebnis sehr zufriedenstellend sein wird.

Das komplette Sortiment und Füllinstruktionen finden Sie auf [www.seeyougedenksieraden.nl](http://www.seeyougedenksieraden.nl)

**NL** See You Gedenksieraden zijn uitgevoerd in gerhodineerd zilver voor een duurzame exclusieve uitstraling en gezet met zirkonia. De sieraden zijn ook leverbaar in goud gezet met diamant of zirkonia. Voor de actuele prijzen zie onze website.

De asresten worden met speciale hars gemengd waardoor een glanzende, doorzichtige afwerking ontstaat.

Het verleden heeft aangetoond dat deze afwerking uitermate geschikt is om dagelijks gedragen te worden. Wel willen wij u erop attenderen dat zich altijd gebeurtenissen kunnen voordoen waardoor een sieraad beschadigd of, nog erger, verloren kan raken.

Wij adviseren dan ook om te allen tijde een kleine hoeveelheid as te bewaren.

De kleuren welke afgebeeld zijn in de sieraden van deze brochure zijn slechts voorbeelden. De standaard hars die gebruikt wordt is transparant. Zie de pagina hiernaast voor de mogelijkheden van de kleuren.

**EN** See You Memorial Jewelry is produced in sterling silver with a rhodium-plated finish, for a luxurious white gold radiance. Please visit our website for the full collection.

The ash remains or hair is integrated with the use of a special resin, resulting in a transparent, shiny finish. The durable finish will withstand everyday wear and tear. However, we always advise you to preserve an additional portion of the ashes, to be used for replacements in case of damage or loss.

The standard resin color is transparent, and the resin colors shown in the jewelry images of this brochure are sample representations. Please see the adjacent page to select your preferred option.

**DE** See You Gedenkschmuck wird in rhodiniertem Silber angefertigt, kann mit Zirkonia besetzt werden und steht für eine lange, zeitlose und exklusive Ausstrahlung. Es kann aber auch in Gold, besetzt mit Diamanten oder Zirkonia angefertigt werden. Preis auf Anfrage.

Die Zeit hat uns gelehrt, dass diese Art der Verarbeitung sehr geeignet und vielseitig ist. Dennoch möchten wir Sie darauf aufmerksam machen, dass Beschädigungen oder im argsten Fall, Verlust nicht ausgeschlossen sind. Wir raten darum immer eine Menge Asche zu bewahren. Das Harz kann durch uns von der Asche getrennt, und wiederverarbeitet werden.

Die abgebildeten Farben in der Broschüre weichen ab. Das standard Harz, der verarbeitet wird, ist transparent. In untenstehender Tabelle finden Sie die erhältlichen Farben.

Glitter dust can be added as an addition to the resin and color dye:

## Custom ideas

Existing jewelry like wedding rings can also be customized into memorial jewelry. These are some easy to achieve models where the wedding ring(s) stay intact. The recognizable characteristics like original engravings stay visible.

This bracelet has the wedding ring melted into the compartments. One needs to push on the, ever used to be, wedding ring to open the lock.
